

MCAKC Supplemental Internship Grant Program 2026

This program supports MCAKC Member Contractors in attracting and developing early-career talent in the Kansas City market. Contractors gain access to skilled interns, while students gain hands-on experience and exposure to the mechanical contracting industry.

MCAA also offers Employer - Internship Grants. Applications for the 2026 program are due by April 1, 2026. Additional details are available on the [MCAA website](#).

Each company branch or division must designate its own point of contact and submit a separate application. For example, service and construction divisions must apply independently.

Remember: Member Contractors are required to submit pay stubs verifying a minimum of 400 hours worked for each intern. Upon verification, MCAKC will authorize payment under this program.

All applications are subject to final review and approval by the MCAKC Board of Directors.

Applications are **due by May 15, 2026**, and this form must be completed in full and submitted to Kathleen Livingston, Outreach Manager, via email (klivingston@mcakc.org).

Member Contractors are eligible to receive four (4) \$3,000 Supplemental Internship Grants in 2026.

Signatory Contractor

Contact Name: _____

Company Name: _____

Email: _____

Phone: _____

While each member may receive up to four (4) grants, please provide Intern Information for **all** interns hired during the summer of 2026. This allows MCAKC to create individual accounts for them to access classes and events. Attach additional pages as needed.
